

2023-2024 UPPER DIVISION DRESS CODE GUIDE

Dress Code Purpose

- To improve the educational atmosphere of the campus. Studies have shown that schools that have adopted a uniform dress code have seen a remarkable improvement in the morale and behavior patterns of their students.
- To allow students to focus on their education rather than who is wearing what to school and whether it's in style.
- To instill a level of responsibility, much the same way many business organizations expect their employees to wear a uniform, company logo, access badge, etc.

Our goal is to provide clothing that is cost effective and practical for our school environment. Students are expected to be in full dress code when arriving at TCA and remain in full dress code through dismissal.

Dress code violators will be asked to change into appropriate attire at the time they are seen. If they are unable to do so, the student will either be sent home to change, or they will stay out of class until someone can bring them the proper uniform attire.
