6th – 12th Grade ELA Summer Reading Late Registration Policy

2023-2024

Returning students (previously enrolled for the 2023 school year) who register after August 1:

- Students will have already received the summer reading guide in May 2023 and will be required to read the summer reading book and take the test over the book on August 15.

New students (not previously enrolled in the 2023 school year) who register in the summer before August 1:

- Students will receive the summer reading guide upon confirmed registration and will be required to read the summer reading book and take the test over the book on August 15.

New students (not previously enrolled in the 2023 school year) who register after August 1:

- Students *may be given* an alternative summer reading assignment based on the ELA grade level teacher's preference and discretion.
